General Studies, AA

Associate of Arts

This degree is designed for students undecided on a particular field of study or a career path, for students planning to pursue majors not offered at Dalton State, for students planning to transfer to private or out-of-state institutions, or for students wishing to earn the general associate’s degree only. The Associate of Arts in general studies provides students a solid foundation for further academic or professional achievement. For students planning to enter a baccalaureate degree program, coursework allows them to explore a variety of fields including psychology, history, literature, natural sciences, mathematics, and communication toward selection of an academic major of interest. For students preferring to enter the workforce, the acquisition of communication and interactive skills prepares them for successful careers in such diverse fields as management, health care, sales, and marketing. Whether pursuing academic or professional goals, students following the Associate of Arts in general studies program develop foundational knowledge and skills in communication, problem solving, and critical thinking that will enable them to be successful in whatever endeavors they engage.
