ENGLISH, SECONDARY CERTIFICATION OPTION

Bachelor of Arts

The Bachelor of Arts degree with a major in English is a literatureintensive program that trains students in critical thinking, advanced reading and analysis, and oral and written communication. Coursework provides grounding in British and American literature, practices, and theory of literary studies, and includes an emphasis on multiculturalism and diversity. English majors gain valuable exposure to literary history and to texts, movements, authors, and cultural forces that inform and influence the literature under study, as well as to the various critical lenses through which literature may be viewed. Considerable flexibility is offered in major course selection. The Bachelor of Arts in English is excellent preparation for students planning graduate or professional work and/or careers in law, education, publishing, journal and magazine writing, creative writing, research, evaluation, technical communications, advertising, sales, library science, public relations, marketing, business, public service, and other areas where expert analytical thinking, writing, and language skills are increasingly valued.

The B.A. degree in English with teacher certification track is approved by the Board of Regents of the University System of Georgia and the Georgia Professional Standards Commission (PSC).

Important: English 3010 must be taken in the student's first semester as an English major; English 3010 may also be taken as a co-requisite with two other 3000-level English courses in the student's first semester as an English major.

Admission requirements for acceptance into the Secondary Professional Teacher Education program can be found on the Secondary Education (http://catalog.daltonstate.edu/schoolofeducation/education/secondaryeducation/) page.

English GACE Content Exams: Upon completion of all <u>content</u> coursework, the English Education student should take the English GACE Content Exams, English 020 and 021.

Students who wish to prepare for the English GACE Content Exams should contact Dr. Kerri Allen or Dr. Sharon Hixon for a copy of the English GACE preparation questions.

Program Course Requirements

Core IMPACTS General Education Curriculum requirements

NOTE: Core IMPACTS courses can also satisfy requirements in your Program of Study. Please review the requirements for your major to prevent taking extra courses. The USG Core IMPACTS curriculum is designed to ensure that students acquire essential knowledge in foundational academic areas and develop career-ready competencies. There are seven Core IMPACTS areas. Students at all USG institutions must meet the Core IMPACTS requirements in all specified areas.
