HISTORY

Bachelor of Arts

The Bachelor of Arts degree with a major in history is designed to produce graduates who have knowledge of U.S., world, and regional history. The degree provides students with skills in research, writing, communication, interpretation, and analysis and prepares them for employment in public history, government and politics, international relations, business, and the media, including journalism and editing. Students are also prepared to pursue graduate degrees in a number of fields, including history, philosophy, law, and the social sciences.

IMPORTANT: Effective Fall 2014, all students who are majoring or minoring in history will be required to take HIST 3000: The Study of History either as a prerequisite or as a co-requisite for all 3000- and 4000-level history courses. Non-majors are permitted to enroll in 3000- and 4000-level history courses as electives without having to satisfy this requirement.
